

# Valentine,

*I thought about getting you  
flowers and chocolates, but ...*

- they'll be cheaper at the after-Valentine's sales.
- there wasn't a gas station on the way.
- I'm not that into you.
- your subscription to Brides Magazine is starting to scare me.
- I've only been stalking you a week.
- I don't have a job.
- I've been thinking about breaking up with you.
- if I give some to you, I'll have to give them to all my other girlfriends.
- your husband is a lot bigger than me.
